

LUCKY LOTTERY DRAW 2024

Hurry! Major cash prizes available! More entries mean bigger prizes!

Members (old and new) are perhaps unaware of this club fund raiser. You will probably have seen similar schemes elsewhere. Subscribers are allocated a number corresponding to one of the balls in the Lotto draw. The prize is based on the first Saturday draw in each month – the winner is the person who holds the number of the ‘bonus ball’ produced in that draw. The prize is 50% of the total subscribed. If the winning number is unsold the prize is rolled over to the next month.

Renewal invitations have been issued to existing subscribers and there are still spaces available for next year.
